2	2010 – 11	20.35 Lakhs
3	2011 – 12	36.99 Lakhs
4	2012 – 13	51.29 Lakhs

The society has received the following recapitalization assistance from the Government of India and the State Government.

Government of India share : Rs. 38.98 Lakhs

State Government share : Rs. 16.85 Lakhs

The society received an amount of Rs 29.19 lakhs under 285 Loan Accounts under Debt waiver scheme. The society also received an amount of Rs. 43.64 lakhs by way of incentive under 1149 Loan Accounts.

As part of implementation of various schemes of the above in the PACS, the Department conducted situation study in the PACS, and identified the potentiality for economics development of members of the PACS.

The management of the society initiated various training programs i.e., Members education program, M.C. members awareness program and staff awareness program with the effective involvement of Financing Bank, ICDP and Department people.

The management of the society has been conducting General Body Meetings and Board Meeting as per the provisions of APCS Act, 1964. As a motivational factor, annual incentive scheme of NDCD to the staff on incremental growth in business. As a result, the business levels of PACS increased. Now the PACS is the major service centre in the village to cater the needs of the farmers.

The management of the society recently launched Gold Loan facility and also loan for purpose of Agricultural Implements.

Now the member involved in utilizing the activities of the PACS particularly financial service, banking service gold loans, input service and consumer service.

With the proper planning and mid plan reviews the management of the PACS could achieve incremental growth in various aspects .

The Kella PACS is catering the needs of the farmers by extending agriculture loans and term loans to the members with reasonable rate of interest and recovery levels.

In the farmers' point of view, the PACS by its services minimized the extent of private money lenders and several the farmers from their clutches. As a result, the livelihood of the farmers/Members was improved immensely and thereby a better socio-economic scenario was developed.
